Mr. George Person:

Open Range RV is in receipt of your inquiry regarding a recall by Keystone RV and Coachmen RV for Irvine Shade and Door glass shower doors with towel bars. This recall was for product produced between October 19, 2006 and July 26, 2007. Open Range RV was not affected by this recall due to the fact Open Range RV was not in business during this time period. Open Range RV began production October 1, 2007. Open Range RV has also never purchased any product from Irvine Shade and Door.

If you have further questions, feel free to contact Pam Graber at Open Range RV.

Regards,

Pamela A Graber
