Notes:
THIS RECALL ONLY PERTAINS TO PRO-A MOTORS AFTERMARKET LAMPS AND HAS NO RELATION TO ANY ORIGINAL EQUIPMENT INSTALLED ON THE LISTED PASSENGER VEHICLES. This recall is the result of an investigation, OA-108-060106F, conducted by the Office of Vehicle Safety Compliance. The information in your noncompliance report appears to satisfy the requirements of 49 CFR 573.6.

It is our understanding that Pro-A Motors does not have records of the names and addresses of the final purchasers of the subject lamps, (accordingly, Pro-A Motors will not submit a draft owner notification letter at this time.) However, should Pro-A Motors become aware of any owners, you are required to submit a draft owner notification letter to this office no less than five days prior to mailing it.

Also, Pro-A Motors is required to notify purchasers, dealers, and distributors in accordance with 49 CFR Part 577 and must submit a representative copy of all notices, bulletins and other communications to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. As stated in your report, the recall is expected to

begin during April 2006. Therefore, the first quarterly report will be due in this office on or before 30 days after the close of the calendar quarter.

Your contact for this recall will be Kelly Schuler, who may be reached by phone at 202-366-5227 or by email at KSCHULER@NHTSA.DOT.GOV. We look forward to working with you for successful completion of this recall campaign.
