Re: Recall No. 02V-295 Quarterly Report, (re-inspect recall 00V-025 Roadrailer crossmember cracking at front of body rails.)

Dear Mrs. Kelly Schuler,

Attached is the 2nd quarterly report for the year 2008 on Recall No. 02V-295.

This report shows an additional 28 units completed from the last report for a total of 5327 out of the 6065 needing to be inspected. The report also shows that all customers have been notified of the re-inspection. One repair facility in the U.S. is actively inspecting all units available. All Canadian units have now been completed.

If there are any other issues that you feel we must address, please contact me. Our intent is to fully comply with all regulatory requirements. I can be reached at 765-771-5404 or by email at "jgabriel@wabashnational.com". Thank you for your assistance in this matter.

Sincerely,

John Gabriel II
