INFORMATION Redacted PURSUANT TO THE FREEDOM OF INFORMATION ACT (FOIA), 5 U.S.C . 552(B)(6)

CL-10732121-3319 JUL 1- 2015 6.25.15

ADMINISTRATOR,

I have still not had my first recall P77 OR P81 completed due to parts currently not available. I've been waiting for a follow-up recall notice in the mail and so far nothing. Since there are so many vehicles needing recall, could this take years for them to get to fixing my truck? I'm concerned with driving the truck & causing injury or death, due to a recall item that the dealer has not got around to fix.

REAR AXLE PINION NUT

Is anything resulting from the recall, reimbursed?
