Recall Campaign No. 03V015

Monaco File # R02240

Federal Certification Label

Re: Federal Certification Labels

Dear Monaco Coach Corporation Dealers:

Monaco Coach Corporation has initiated a voluntary safety recall campaign relating to certain 2003 Beaver Marquis Sapphire Class A motorhomes. Federal law requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days. A copy of the notification letter that is being sent to owners is enclosed.

The National Traffic and Motor Vehicle Safety Act provides that each vehicle that is subject to a recall campaign of this type must be adequately repaired within a reasonable time after the owner has tendered it for repair. Generally, failure to repair within sixty (60) days after the owner's first delivery for repair is assumed to be an unreasonable delay.

THE ISSUE

Monaco Coach Corporation has become aware that a typographical error was made on the federal certification label incorrectly stating the tires to be 275/12R 22.5 with a PSI of 75. The correct tire size is 295/80R22.5 with a PSI of 80.

AFFECTED MOTOR COACHES

Affected motorhomes are certain 2003 Beaver Marquis Sapphire Class A motorhomes produced between April 9, 2002 and August 13, 2002. Starting with Serial Number 031620854588301-800231 ending with 031620854588301-800388, starting VIN of 1RFC6581033021156 and ending with 1RFC6581833022989.

If our records indicate that you have any of the affected motorhomes in your inventory, you will also receive an owner notification letter identifying those units. In addition, we have provided you with a list of units that we show currently open in your dealer inventory.

DEALER CAMPAIGN RESPONSIBILITY

All unsold motorhomes in your possession that are subject to this recall campaign must be held and inspected/repared in accordance with the service procedure of this campaign bulletin before owners can take possession of these motorhomes. Please service all motorhomes subject to this recall campaign at no charge to the owners, regardless of mileage, age or vehicle ownership, from this time forward.

In addition to a letter, owners will receive a recall notification/dealer claim form. The motorhome owner will present this form to you upon arrival for the service appointment. Please review the instructions on the face of the notification form and fill in the claim portion when the correction is completed.

You should contact owners of motorhomes recently sold from your vehicle inventory for which you have received the owner notification letter and make arrangements to perform the required correction according to the instructions enclosed with this bulletin. At a minimum, mail the owner a copy of the owner notification letter accompanying this bulletin.

In summary, whenever a motorhome subject to this campaign enters your vehicle inventory or is in your dealership for service in the future, please take the necessary steps to be sure the campaign correction has been made before selling or releasing the motorhome.
