Re: Dana Corporation - Recall 03E-005

Dear Ms. Schuler:

Enclosed please find Dana Corporation's Safety Recall Quarterly Report for the first quarter of 2003 in connection with the above-referenced recall. Because 100 percent of the trailers that were the subject of this recall have been inspected and remedied (with only 2 requiring repair), Dana requests that the agency treat this report as a final report and excuse Dana from submitting additional quarterly reports.

Please contact me if you have any questions. Thank you for your assistance.

Sincerely,

Christopher H. Grigorian
