Mr. Ric Willard
Acting Chief, Recall Management Division
Office of Defects Investigation
National Highway Traffic Safety Administration
1200 New Jersey Ave, S.E.
Washington, D.C. 20590

Dear Mr. Willard,

In accordance with the renotification request received in our office on November 8, 2011 we are transmitting the enclosed owner renotification letters for the following safety recall campaigns:

<u>NHTSA Number</u>	<u>Recall Name</u>
10V-312	Pathfinder QX4 Passenger Air Bag Inflator
10V-349	Armada QX56 A-Pillar Finisher
10V-175	G35 Coupe and Sedan Belt Tension Sensor
10V-372	Frontier KC Front Passenger Seat Tether Anchor
10V-074	Frontier Xterra Pathfinder Fuel Gauge Inaccuracy
10V-075	Titan Armada QX56 Fuel Gauge Inaccuracy

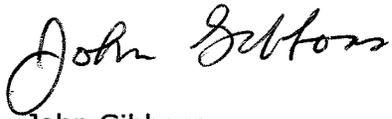

Nissan will conduct the owner renotification in accordance with the guidelines listed in the letter. The letters meet the requirements of 49 CFR Part 577.10, "Follow-up Notification" and include a "Johnson Box" highlighting the pertinent information for owners. Nissan searched current state motor vehicle registration records on November 11, 2011 in order to update the original owner list for the aforementioned recall campaigns. The revised owner list will be available on December 2, 2011 and owner renotification will commence according to the schedule below:

NHTSA Number	Owner Notification Begins	Owner Notification Ends
10V-312	February 6, 2012	February 6, 2012
10V-349	February 6, 2012	February 6, 2012
10V-175	January 20, 2012	March 5, 2012
10V-372	February 6, 2012	February 6, 2012
10V-074	February 6, 2012	February 6, 2012
10V-075	January 9, 2012	January 23, 2012

In addition, all of the aforementioned recalls will be reported for the next three quarters as required by the renotification request.

Should you have any questions, please contact Will Swindell at 615-725-5527.

RECALL 10V-075

FOLLOW-UP NOTIFICATION

Dear Nissan [Titan Armada] Owner:

IMPORTANT

- Your [2005-2009] model year Nissan [Titan Armada] is involved in a safety recall because the fuel gauge may be inaccurate due to a malfunction in the fuel level sending unit.
- **Please schedule an appointment with your Nissan dealer.**
- **This service will be performed for you at no charge.**

This fourth notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Nissan has decided that a defect which relates to motor vehicle safety exists in certain [2005-2009] Model Year Nissan [Titan Armada] vehicles. Our records indicate that you own or lease one of the potentially affected vehicles with the VIN shown below.

Reason for Recall

You were previously notified that the fuel gauge in some of the affected vehicles may be inaccurate due to a malfunction in the fuel level sending unit. Over time, this causes the instrument panel fuel gauge to inaccurately display that the vehicle still has some fuel, typically about one quarter tank, when the fuel tank is empty. If this were to occur on your vehicle, the vehicle could stall, which could create an unsafe condition which could result in a crash.

What Nissan Will Do

Parts are now available for your Nissan dealer to replace the fuel sender unit inside the fuel tank with a new improved part. This service, free of charge for parts and labor, should take three hours to complete, but your Nissan dealer may require your vehicle for a longer period of time based upon their work schedule.

What You Should Do

If you have not done so already, we urge you to please contact your Nissan dealer as soon as possible to have your vehicle repaired. **It is important that you continue to maintain the fuel level in your vehicle so that the fuel gauge reads above the one half position until your service appointment.** Please bring this notice with you when you keep your service appointment. Instructions have been sent to your Nissan dealer.

If the dealer fails, or is unable to make the necessary repairs free of charge, you may contact the National Consumer Affairs Department, Nissan North America, Inc., P.O. Box 685003, Franklin, TN 37068-5003. The toll free number is 1-800-NISSAN1 (1-800-647-7261). You may also submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, SE., Washington, DC 20590; or call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.

Federal law requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.

Thank you for your cooperation. We are indeed sorry for any inconvenience this may cause you.
