MR. RANDY HORST
WARRANTY MANAGER
CAM SUPERLINE, INC.
4763 ZANE A MILLER DRIVE
WAYNESBORO, PA 17268

NVS-2151rd
12V-220

SUBJECT: E/H BRAKE ACTUATOR

DEAR MR. RANDY HORST:

This letter serves to acknowledge Cam Superline, Inc's (Cam Superline) notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall campaign which will be conducted pursuant to Federal law for the vehicles listed below.

Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

CAM/6CAM18C2012
CAM/7CAM19STT/2012

NHTSA Campaign Number: 12V-220

Mfg's Report Date: May 14, 2012

Components: EQUIPMENT

Potential Number of Units Affected: 2

Summary:

CAM SUPERLINE IS RECALLING ONE MODEL YEAR 2012 6CAM18C TRAILER AND ONE MODEL YEAR 2012 7CAM19STT TRAILER EACH EQUIPPED WITH A DEXTER AXLE ELECTRIC/HYDRAULIC (E/H) BRAKE ACTUATOR PUMP. THIS PUMP MAY NOT HAVE BEEN PROPERLY HEAT TREATED. THIS CONDITION CAN CAUSE PREMATURE WEAR OF SOME CRITICAL COMPONENTS IN THIS PUMP WHICH CAN RENDER THE UNIT INOPERABLE.

Consequence:

THE E/H BRAKE ACTUATOR PROVIDES BRAKING POWER TO THE TRAILER BRAKES. FAILURE OF THE ACTUATOR CAN RESULT IN THE LOSS OF BRAKING EFFORT BY THE TRAILER, INCREASING THE RISK OF A CRASH.

Remedy:

CAM SUPERLINE HAS NOTIFIED ALL OWNERS, AND DEXTER HAS REPLACED THE ACTUATORS, FREE OF CHARGE, THEREFORE, AN OWNER NOTIFICATION NOTICE WILL NOT BE ISSUED FOR THIS CAMPAIGN. OWNERS MAY CONTACT CAM SUPERLINE, INC. AT 1-717-749-3369.

Notes:

CUSTOMERS MAY CONTACT THE NATIONAL HIGHWAY TRAFFIC SAFETY ADMINISTRATION'S VEHICLE SAFETY HOTLINE AT 1-888-327-4236 (TTY: 1-800-424-9153); OR GO TO [HTTP://WWW.SAFERCAR.GOV](http://www.safercar.gov).

It is our understanding that notification to owners occurred on May 14, 2012, prior to our review of the owner notification letter. In the future, a draft of the proposed owner notification letter is to be submitted to this office for review, no less than five days prior to mailing it.

Please submit a copy of the letter that you mailed to owners.

Cam Superline's report states that all owners have been notified and all affected trailers have been remedied. Please submit one quarterly report confirming a one hundred percent completion rate.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on or before 30 days after close of the calendar quarter.

Your contact for this recall will be Edison Thompson, who may be reached by phone at 202-366-9525, by email at Edison.Thompson@dot.gov, or through the office email at RMD.ODI@dot.gov. We look forward to working with you for the successful completion of this recall campaign.

Sincerely,

A handwritten signature in black ink, appearing to read "Jennifer Timian". The signature is fluid and cursive, with a large initial "J" and "T".
