SUBJECT: E/H BRAKE ACTUATOR

DEAR MS. FLOWERS:

This letter serves to acknowledge Trailmaster by McCollum Custom Trailers, Inc.'s (Trailmaster) notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall campaign which will be conducted pursuant to Federal law for the vehicles listed below.

Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:
TRAILMASTER/GOOSENECK/2011

NHTSA Campaign Number: 12V-223

Mfg's Report Date: May 14, 2012

Components: EQUIPMENT

Potential Number of Units Affected: 12

Summary:

TRAILMASTER BY MCCOLLUM CUSTOM TRAILERS INCORPORATED (TRAILMASTER) IS RECALLING CERTAIN MODEL YEAR 2011 GOOSENECK DUAL TANDEM TRAILERS EQUIPPED WITH A DEXTER AXLE ELECTRIC/HYDRAULIC (E/H) BRAKE ACTUATOR PUMP. THIS PUMP MAY NOT HAVE BEEN PROPERLY HEAT TREATED. THIS CONDITION CAN CAUSE PREMATURE WEAR OF SOME CRITICAL COMPONENTS IN THIS PUMP WHICH CAN RENDER THE UNIT INOPERABLE.

Consequence:

THE E/H BRAKE ACTUATOR PROVIDES BRAKING POWER TO THE TRAILER BRAKES. FAILURE OF THE ACTUATOR CAN RESULT IN THE LOSS OF BRAKING EFFORT BY THE TRAILER, INCREASING THE RISK OF A CRASH.

Remedy:

TRAILMASTER WILL NOTIFY OWNERS, AND DEXTER AXLE DEALERS WILL REPLACE THE ELECTRIC/HYDRAULIC (E/H) BRAKE ACTUATOR PUMPS, FREE OF CHARGE. TRAILMASTER HAS NOT PROVIDED A NOTIFICATION SCHEDULE. OWNERS MAY CONTACT TRAILMASTER, INC. AT 1-903-572-1834.

Notes:

CUSTOMERS MAY CONTACT THE NATIONAL HIGHWAY TRAFFIC SAFETY ADMINISTRATION'S VEHICLE SAFETY HOTLINE AT 1-888-327-4236 (TTY: 1-800-424-9153); OR GO TO [HTTP://WWW.SAFERCAR.GOV](http://www.safercar.gov).

We have received your proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

Please be reminded of the following requirements:

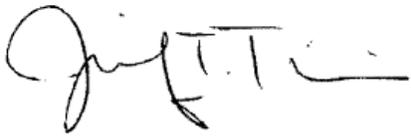

You are required to provide an estimated date including month, day, and year, when you will send notifications to owners, dealers, and distributors as soon as it becomes available. Please be reminded that it is expected owners will be notified of a safety defect in their vehicles within 60 days of a manufacturer's notification to NHTSA of a safety defect in those vehicles.

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on or before 30 days after close of the calendar quarter.

Your contact for this recall will be Edison Thompson, who may be reached by phone at 202-366-9525, by email at Edison.Thompson@dot.gov, or through the office email at RMD.ODI@dot.gov. We look forward to working with you for the successful completion of this recall campaign.

Sincerely,

A handwritten signature in black ink, appearing to read "Jennifer Timian". The signature is fluid and cursive, with a large initial "J" and a long horizontal stroke at the end.

Jennifer Timian
