

UD TRUCKS

## ***SAFETY RECALL ALERT***

**To:** U.S. Distributors

**Bulletin:** 12V-252

**Date:** June 8, 2012

**Action Required?** **YES**

**From:** Regulatory Affairs Department

**Subject:** Safety Recall, 12V-252, DUAL STEER AIR BRAKE NON COMPLIANCE

### **Safety Recall Summary:**

Modifications by Fontaine (i.e. Fontaine converted chassis to dual steering system) made on certain 2008, 2009 & 2010 UD3300 model vehicles may have resulted in loss of isolation between the primary and secondary air brake systems; therefore, the vehicles may not comply with Section 5.7 of 49 CFR 571.12, Air Brake Systems. The affected vehicles (see enclosed VIN list) are within the vehicle identification number (VIN) range shown below.

Model Year	Starting Sequence	thru	Ending Sequence
2008	JNAPC81L48A	-	JNAPC81L78A
2009	JNAPC81LX9A	-	JNAPC81L29A
2010	JNAPC81L5AA	-	JNAPC81L7AA

There are approximately two hundred sixty one (261) vehicles affected by the recall all of which were sold in the United States.

### **Distributors' Responsibility:**

The U.S. Motor Vehicle Safety Act requires distributors to ensure that all new and used vehicles are free of safety defects and comply with all relevant safety standards at the time of delivery to the consumer.

Distributors should make their personnel aware of the safety recall. In the event that a distributor has a vehicle included in the safety recall in their inventory to be sold, the condition must be corrected before releasing it to a customer.

### **Release Schedule:**

- Vehicle list is enclosed.
- Owner Notices are scheduled to be mailed on or before July 15, 2012.

### **Questions:**

Contact the Regulatory Affairs Department at [vtna.regulatoryaffairs@volvo.com](mailto:vtna.regulatoryaffairs@volvo.com) if you have questions.
