RE: **SAFETY RECALL NOTICE**
Actuator Brake Pressure Recall

Dear Tracker Marine Group Dealer:

With this notification you will find information concerning a Recall Notification we are releasing to all affected dealers and consumers whose trailers may be affected by the Actuator Brake Pressure Recall.

The information provided is an explanation of the recall, a copy of the letter sent to retail customers, and a list of serial numbers for units shipped to your dealership that may be affected by this recall. All retail consumers on this list are potentially affected by this recall and have been notified by first class mail. Should a consumer contact you for assistance, please perform the recall to any affected units and file a claim per the dealer instructions posted on TracNet.

If you have any questions, you may contact Tracker Marine Group Dealer Relations at 866-378-2529.

Please accept our most sincere apology for your inconvenience, however, we have taken this action in the interest of consumer safety and continued satisfaction with our product.

Sincerely,

A handwritten signature in cursive script that reads "Tricia Cusic".
