FYI.

ZAP just called to talk about scheduling test dates. They want to bring the vehicle back for a re-test.

Lloyd,

I just finished talking with Mike Dunlap at Karco and he said that he has not heard from Zap Zebra since last month and that they have not yet made plans for any follow-up testing in response to our April 30, 2012, deadline.

Can you remind Kelsey that for the plots provided to us, we need corrected to speed stopping distances.
Tanks.

Subject: ZAP Xebra Brake Testing

Hello Kelsey,

Did ZAP pay KARCO for the follow-up 1st Efficiency Test for FMVSS?

How did the test go?

thanks,

Joe Rajakaruna
