Subject: **Delivery Stop - Recall**

Dear BMW Motorrad USA Dealers,

We regret to inform you that further retail sales and customer deliveries of any 2013 model year C 600 Sport must be halted in your dealerships **IMMEDIATELY**. The 2012 model year K 1300 S and 2013 model year K 1300 S produced from January 5 through October 30, 2012 must also be halted in your dealerships. This notice does touch all three models currently in the customers' possession; however, it is not necessary for our customers to stop riding.

BMW Motorrad USA is working to correct the issue affecting these units and will advise further when dealers can recommence customer deliveries. Should the delay necessitate an extension of free flooring for any affected units, BMW Motorrad USA will contact dealers directly. Please also note that wholesale shipments of all three models will be temporarily suspended.

We regret any short-term inconvenience this may cause with customer deliveries, and we will inform you once this issue is resolved. A Service Information Bulletin is forth coming. The customer notification is planned for January 2013.

With kind regards,

Shawn McLean & Joe Wagner
