## **Re: Fuel Vapor Canister Vent Hose Inspection/Replacement**

Dear Can-Am™ Roadster Dealer/Distributor,

This notice is being sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act and the Canada Motor Vehicle Safety Act. Bombardier Recreational Products Inc. and BRP US Inc. ("BRP") have decided that a defect which relates to motor vehicle safety exists on certain Can-Am Roadster models and are conducting a safety recall.

### **What is the potential problem?**

In some circumstances, fuel vapors may exit the fuel vapor canister vent hose in the enclosed engine compartment. Fuel vapors in the presence of an ignition source could result in a fire.

### **Which models are involved?**

Can-am Roadster 2008 to 2010 (Spyder GS and RS Series).

### **What will BRP do?**

For dealers: BRP is publishing a Safety Campaign Bulletin giving the procedure to inspect the fuel vapor canister vent hose and if required to replace and re-route it.

For customers: BRP is sending to all known registered owners a Safety Recall letter. This letter urges that the owners immediately contact their authorized BRP dealer in order to have the vehicle repaired. The solution is the inspection of the fuel vapor canister vent hose to determine if the proper hose is installed and if required the replacement and re-routing of the fuel vapor canister vent hose.

Also, BRP is posting this notice and attached Safety Campaign Bulletin on its dealer website BOSSWeb ([www.bossweb.brp.com](http://www.bossweb.brp.com)). Information for customers is posted on BRP's public web site ([www.can-am.brp.com](http://www.can-am.brp.com)).

### **What should you do?**

- Do not sell or deliver any involved vehicle that you have in stock as federal law requires you to complete the recall service on these vehicles before retail delivery.
- Follow all instructions provided in the attached Safety Campaign Bulletin.

Please note that the National Traffic and Motor Vehicle Safety Act provides that each vehicle which is subject to a recall campaign of this type must be adequately repaired within a reasonable time after the owner has tendered it for repair. Failure to repair within sixty (60) days after tender of a vehicle is prima facie evidence of failure to repair within a reasonable time. The owner may be entitled to an identical or reasonable equivalent vehicle at no charge or to a refund of the purchase price less a reasonable allowance for depreciation.

## PROBLEM

In some circumstances, fuel vapors may exit the fuel vapor canister vent hose in the enclosed engine compartment. Fuel vapors in the presence of an ignition source could result in a fire.

## SOLUTION

Inspect the fuel vapor canister vent hose to determine if the proper hose is installed.

Replace and re-route the fuel vapor canister vent hose if required.

## PARTS REQUIRED

NOTE: These parts must be ordered only if the repair is required.

## **Re: Fuel Vapor Canister Vent Hose Inspection/Replacement**

Dear Can-Am™ Roadster Owner,

This notice is being sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act and the Canada Motor Vehicle Safety Act. Bombardier Recreational Products Inc. and BRP US Inc. ("BRP") have decided that a defect which relates to motor vehicle safety exists on certain Can-Am Roadster models and are conducting a safety recall.

Our records show that you own a potentially affected vehicle.

### **What is the potential problem?**

In some circumstances, fuel vapors may exit the fuel vapor canister vent hose in the enclosed engine compartment. Fuel vapors in the presence of an ignition source could result in a fire.

### **What should you do?**

Call an authorized BRP Can-Am Roadster dealer and make an appointment to have your fuel vapor canister vent hose inspected and if required replaced and re-routed. This part replacement should take less than one hour to complete. *The dealer will perform this work at no charge to you.* If you had this hose repaired before you received this letter, you may be eligible to receive reimbursement for the cost of obtaining a pre-notification remedy of the problem associated with this recall.

### **What to do if you feel this notice is an error?**

This notice was mailed to you according to the most current information we have available. If you no longer own this vehicle or some information in this notice is incorrect, please contact BRP at your earliest convenience.

### **For US residents only**

If you believe that the dealer or BRP has failed or is unable to remedy the defect within a reasonable time, you may submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue S.E. Washington, D.C. 20590, or call the toll free Auto Safety Hot Line at 1-888-327-4236 (TTY: 1-800-424-9153), or go to <http://www.safercar.gov>. If you are a vehicle lessor, federal law requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.

### **If you have questions, need assistance, or to find the nearest authorized BRP Can-am Roadster dealer:**

- Visit [www.can-am.brp.com](http://www.can-am.brp.com)
- In the US and Canada: 1-888-638-5397  
9:30 AM to 5:30 PM Eastern time Monday to Thursday,  
10:30 AM to 5:30 PM Eastern time Friday

Your continued satisfaction with your roadster is important to us. Please understand that we have taken this action in the interest of your safety and your vehicle's proper operation. We apologize for any inconvenience this may cause you.

Thank you for your immediate attention to this matter.

Sincerely,  
After-Sales Service Department,
