Dear Sir or Madam:

Pursuant to 49 CFR Part 573, Entegra Coach (“Entegra Coach” or the “Company”) is submitting this report to NHTSA concerning a recall campaign, which is being voluntarily initiated. Specific information is as follows:

573.6(c)(2)

Affected vehicles are 2013 Aspire Class A Motorhomes.

The affected vehicles were manufactured between April 11, 2012 and August 30, 2012.

The recall population was determined from the manufacturing records for the Company’s manufacturing plant in Middlebury, Indiana, which produced the affected recreational vehicles.

573.6(c)(3)

A total of 37 vehicles are subject to this recall. Specific Vehicle Identification Numbers (VIN) are as follows:

Model year 2013 vehicles with a starting VIN of 4VZBU1D90DC075750 and ending with 4VZBU1D9XDC076081.

573.6(c)(4)

Entegra Coach is recalling 100 percent of the affected vehicles identified in the scope.

573.6(c)(5)

Entegra Coach has determined that certain vehicles fail to conform to the requirements of Federal Motor Vehicle Safety Standard No. 120, "Tire selection and rims and motor home/recreation vehicle trailer load carrying capacity information for motor vehicles with a GVWR of more than 4,536 kilograms (10,000 pounds)". Due to a typographical error, the size of the tires on the rear axle as indicated on the Certification label is incorrectly identified as 275 when the tires are actually 295. In addition, after a review of vehicle weight data and consideration of the many ways a vehicle owner could load cargo into the vehicle it was

determined that owners would benefit from having additional headroom by increasing the load capacity of the front tires and the wheels.

573.6(c)(6)

Entegra was notified by a retail owner inquiring about the size of the tires on the rear axle in December 2012.

573.6(c)(8)

The remedy for the affected vehicles is to replace the Certification label after replacing the tires and wheels to provide owners with additional load capacity.

Copies of the repair instructions, dealer notification letters, and owner letters will be provided to the agency within 10 business days. Entegra Coach is contacting all dealers and retail owners of the affected vehicles. Upon notification Entegra Coach is prepared to begin dealer notification within 5 business days after approval, and to owner's ten business days subsequent to dealer notification.

Thank you for your assistance,
