IMPORTANT SAFETY RECALL CAMPAIGN ANNOUNCEMENT

NHTSA Recall Campaign # PENDING

Dear Entegra Coach Dealer:

This letter is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

DEFECT INVOLVED

Entegra Coach has decided that a defect, which relates to motor vehicle safety, exists in specific 2013 Aspire Class A Motorhomes.

The affected units were manufactured between April 11, 2012 and August 30, 2012.

Entegra Coach has determined that certain vehicles fail to conform to the requirements of Federal Motor Vehicle Safety Standard No. 120, "Tire selection and rims and motor home/recreation vehicle trailer load carrying capacity information for motor vehicles with a GVWR of more than 4,536 kilograms (10,000 pounds)". Due to a typographical error, the size of the tires on the rear axle as indicated on the Certification label is incorrectly identified as 275 when the tires are actually 295. In addition, after a review of vehicle weight data and consideration of the many ways a vehicle owner could load cargo into the vehicle it was determined that owners would benefit from having additional headroom by increasing the load capacity of the front tires and the wheels.

The remedy for the affected vehicles is to replace the Certification label after replacing the tires and wheels to provide owners with additional load capacity. If you are unable to perform this repair, please contact Entegra Coach Customer Service at 800-945-4787 for assistance.

DEALER CAMPAIGN RESPONSIBILITY

We strongly suggest that you designate a manager to coordinate the recall to ensure the work is performed and documented properly, and that a warranty claim is submitted to Entegra Coach to verify the performance of the modification. This responsibility should also include accountability for all stock units affected by the recall campaign.

All unsold new vehicles in your possession that are subject to this campaign must be held and repaired per the service procedure of this recall campaign bulletin **before** owners take possession of these vehicles.

Federal law requires that all units in your inventory be repaired prior to delivery to a customer. If you have sold a unit recently that you have received a stock recall notice on, please contact the owner immediately to advise of the recall. You may do this by sending a copy of the retail owner recall

notice. In addition, Entegra Coach encourages you to follow up with a telephone call to the customer to assist in scheduling the repairs.

Authorized Entegra Coach dealers are to service all vehicles subject to this campaign at no charge to owners, regardless of mileage, age of vehicle or ownership, from this time forward. Recall campaigns should receive the highest priority in your shop because of the safety factor involved and work must be scheduled promptly regardless of where the vehicle was purchased.

OWNER NOTIFICATION

Retail owners of record will be receiving notification of this campaign within two weeks of this dealer notification letter. A copy of the owner notification letter is attached for your review. In addition, make sure the customer signs the claim form that you must submit to Entegra Coach for payment. The customer must sign the claim form as an indication that the recall was performed.

If you have any questions regarding this recall or instructions, please contact us on your dealer service line 800-945-4787.

Thank you for your assistance.

Sincerely,
