Subject: Incorrect Tire Certification Label/ FMVSS 120

Dear Mr. Resil:

This letter serves to acknowledge Entegra Coach's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:
ENTEGRASPIRE/2013

Mfr's Report Date: January 16, 2013

NHTSA Campaign Number: 13V-013

Components:
EQUIPMENT:OTHER:LABELS

Potential Number of Units Affected: 37

Problem Description:

Entegra Coach is recalling certain model year 2013 Aspire Class A motorhomes manufactured April 11, 2012, through August 30, 2012. On the affected vehicles, the Certification label incorrectly identifies the size of the tires on the rear axles. Thus, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard No. 120, "Tire Selection and Rims for Motor Vehicles Other Than Passenger Cars."

Consequence:

An inaccurate label could lead to installation of improper replacement tires which may cause vehicle overloading which could lead to a tire failure resulting in personal injury or property damage.

Remedy:

Entegra Coach will notify owners and dealers will replace the Certification label. The recall is expected to begin during January 2013. Owners may contact Entegra Coach at 1-800-945-4787.

Notes:

Customers may contact the National Highway Traffic Safety Administration's Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.

We have received Entegra Coach's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

Please be reminded of the following requirements:

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.
