Subject: **E70 Brake Booster Vacuum Line Recall Parts Update**

To: All BMW Parts Managers

Re: E70 Brake Booster Vacuum Line Recall Parts Update

BMW has shipped a limited amount of parts to each Dealer (25pcs). Please be advised, **these parts are to be held in stock as a set and not sold until the repair instructions are released.**

There is an additional part needed for this repair that is currently in transit to the RDC's. When we have sufficient quantities, parts will be released to each dealer.

Part numbers shipped:

Vacuum Line / Pipe Clamp	11 15 1 726 339
Vacuum Line / Pipe	11 66 7 551 594
Vacuum Line / Pipe	11 66 7 629 612
Seal for Brake Booster	34 33 1 158 929

Please do not schedule your customers until the SIB is released **and you have the parts on hand at your Dealership to perform the repair.**

Parts will remain blocked from ordering at this time. Parts ordering information will be sent out in a DCS when the SIB is released.

The PTG does not have the capability to release these parts, please do not contact them for releasing of parts.

Thank you,

Amy McNamara
