

**Honda Recall Voice Alert to Customer**

**NHTSA ID: 13V-246**

**Date: July 15, 2013**

Honda recently mailed to you an important safety recall notice regarding your 2006 or 2007 S2000. This notice explains that a problem potentially exists with your vehicle's brake booster which may allow it to leak, resulting in reduced braking assistance and a hard brake pedal. The notice also outlines what you need to do, including how to obtain the recall repair, free of charge, at any authorized Honda dealer. If you need help finding a Honda dealer, or do not receive the notice within five days, please call 1-800-999-1009, and select option 4. Thank you.
