

Acura Recall Voice Alert to Customer

NHTSA ID: 13V-246

Date: July 15, 2013

Acura recently mailed to you an important safety recall notice regarding your 2006 RSX. This notice explains that a problem potentially exists with your vehicle's brake booster which may allow it to leak, resulting in reduced braking assistance and a hard brake pedal. The notice also outlines what you need to do, including how to obtain the recall repair, free of charge, at any authorized Acura dealer. If you need help finding an Acura dealer, or do not receive the notice within five days, please call 1-800-382-2238, and select option 4. Thank you.
