

Honda Recall Voice Alert to Customer

NHTSA ID: 13V-297

Date: August 2, 2013

Honda recently mailed to you an important safety recall notice regarding your 2013 Accord. This notice explains that your vehicle's fuel tank may not be properly sealed at a connection point at the top of the tank, potentially leading to illumination of the check engine light, a fuel smell, or fuel leaks. The notice also outlines what you need to do, including how to obtain the recall repair, free of charge, at any authorized Honda dealer. If you need help finding a Honda dealer, or do not receive the notice within five days, please call 1-800-999-1009, and select option 4. Thank you.
