

Acura Recall Voice Alert to Customer

NHTSA ID: 13E-040

Date: August 27, 2013

Acura recently mailed to you an important safety recall notice regarding your 2014 MDX. This notice explains that if your vehicle is equipped with a genuine Acura accessory trailer hitch, it may require repair due to incorrect wiring in the accessory trailer brake controller subharness. An incorrectly wired subharness may decrease braking assistance and increase the risk of crash. The notice also outlines what you need to do, including how to obtain the recall repair, free of charge, at any authorized Acura dealer. If you need help finding an Acura dealer, or do not receive the notice within five days, please call 1-800-382-2238, and select option 4. Thank you.
