Subject: Center Stand Mount may Fracture causing Tip Over

Dear Mr. Callander:

This letter serves to acknowledge Triumph Motorcycles America, LTD's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

TRIUMPH/TROPHY SE/2013

Mfr's Report Date: December 3, 2013

NHTSA Campaign Number: 13V-608

Components:

STRUCTURE:MOTORCYCLE KICKSTAND/CENTER STAND

Potential Number of Units Affected: 416

Problem Description:

Triumph Motorcycles America Ltd (Triumph) is recalling certain model year 2013 Trophy SE motorcycles manufactured June 1, 2012, through February 28, 2013. In the affected motorcycles, the left hand center stand mount may fracture.

Consequence:

If the center mount fractures, it will not provide adequate support for the center stand while the vehicle is parked and may cause the motorcycle to fall over, increasing the risk of injury to those nearby.

Remedy:

Triumph will notify owners, and dealers will install a new center stand bracket to the left hand side of the motorcycle frame. The manufacturer has not yet provided a notification schedule. Customers may contact Triumph at 1-678-854-2010. Triumph's number for this recall is SB508RM2013/033.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

You are required to provide an estimated date including month, day, and year, when you will send notifications to owners, dealers, and distributors as soon as it becomes available. Please be reminded that it is expected owners will be notified of a safety defect in their vehicles within 60 days of a manufacturer's notification to NHTSA of a safety defect in those vehicles.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

On August 20, 2013, NHTSA announced new changes to the requirements governing safety recalls. Some of these requirements are already in effect. Please ensure your company will be in compliance with each requirement on, or before, its respective effective date. For a summary of the requirements and their effective dates please click on the "New!" link at <http://www.safercar.gov/Vehicle+Manufacturers>.

Your contact for this recall will be Kelly Schuler who may be reached by phone at (202) 366-5227, or by email at kelly.schuler@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.

Sincerely,

Jennifer Timian
