Subject: Interior Side Door Lock May Become Inoperable

Dear Mr. McCarthy:

This letter serves to acknowledge Bay Bridge Manufacturing LLC's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

BAY BRIDGE MFG/CLASSIC UNIT/2006-2013
BAY BRIDGE MFG/FRP UNIT/2006-2013
BAY BRIDGE MFG/SHEET & POST UNIT TRAILER/2010-2011
BAY BRIDGE MFG/SHEET AND POST UNIT/2006-2013

Mfr's Report Date: December 5, 2013

NHTSA Campaign Number: 13V-647

Components:

LATCHES/LOCKS/LINKAGES

Potential Number of Units Affected: 223

Problem Description:

Bay Bridge Manufacturing LLC (Bay Bridge) is recalling certain model year 2006-2013 cargo box vans and trailers manufactured January 1, 2006, through July 31, 2013 and equipped with Fastec-brand door locks. It may be possible to remove the key from the lock in a way that potentially jams the deadbolt.

Consequence:

If the deadbolt jams, the interior side of the door lock may also jam. A person inside the travel trailer at the time will then be locked in and be unable to exit the vehicle, increasing the risk of injury.

Remedy:

Bay Bridge will notify owners, and Fastec will coordinate the inspection and replacement of the cylinders, as needed, free of charge. The recall is expected to begin by early February 2014. Owners may contact Bay Bridge at 1-578-848-7477 or Fastec at 1-800-837-2505.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

We have received Bay Bridge's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

Please be reminded of the following requirements:

We have been informed that Fastec will be handling the quarterly reporting for this campaign. Please be reminded that as the vehicle manufacturer Bay Bridge is ultimately responsible for conducting an adequate safety recall campaign of its vehicles. Accordingly, if this safety recall campaign is not successful, the agency may require Bay Bridge to conduct a follow-up notification and conduct additional quarterly reporting.

On August 20, 2013, NHTSA announced new changes to the requirements governing safety recalls. Some of these requirements are already in effect. Please ensure your company will be in compliance with each requirement on, or before, its respective effective date. For a summary of the requirements and their effective dates please click on the "New!" link at <http://www.safercar.gov/Vehicle+Manufacturers>.

Your contact for this recall will be Kelly Schuler who may be reached by phone at (202) 366-5227, or by email at kelly.schuler@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.

Sincerely,

A handwritten signature in black ink, appearing to read "Jennifer Timian". The signature is fluid and cursive, with a prominent loop at the end.
