Dear ZAP XEBRA Dealer:

ZAP is initiating a vehicle repurchase program for its model year 2008 ZAP XEBRA all-electric vehicles. A copy of letters describing the program is enclosed for your information.

It is ZAP's goal to notify as many Xebra owners as possible of the program and we need your assistance in locating some owners/vehicle purchasers. Our records indicate the vehicle(s) on the following page(s) were purchased and, possibly, sold by you.

We request that you complete the relevant information for each vehicle and return it to ZAP in the self-addressed, stamped envelope provided. Upon receiving this information, ZAP will mail a notice of the vehicle repurchase program to the owners/vehicle purchasers who purchased the vehicle from you. So that we may contact these people in a timely manner, we ask that you please return your response to us by no later than Wednesday, August 24, 2013.

We thank you very much for your cooperation in this matter. Please contact ZAP at 1-855-587-2406 if you have any questions.

Sincerely,

ZAP Management
