Dear Mr. Coleman:

This letter serves to acknowledge Blue Bird Body Company's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. Makes/Models/Model Years:

BLUE BIRD/ALL AMERICAN/2012-2015

Mfr's Report Date: June 5, 2014

NHTSA Campaign Number: 14V-306

Components:

STEERING

Potential Number of Units Affected: 444

Problem Description:

Blue Bird Body Company (Blue Bird) is recalling certain 2012-2015 All American transit buses manufactured September 1, 2011 through May 16, 2014. In the affected vehicles, a clamp on the steering shaft may come in contact with the rubber boot at the floor.

Consequence:

If the steering shaft clamp comes into contact with the rubber boot, additional effort would be needed to steer the vehicle, increasing the risk of a crash.

Remedy:

Blue Bird will notify owners, and dealers will relocate the rubber boot and install a new steering shaft clamp, free of charge. The recall is expected to begin in July 2014. Owners may contact Blue Bird customer service at 1-478-822-2242. Blue Bird's number for this recall is R14XE.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

We have received Blue Bird's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.
