DCSnet Message  
**Urgent**

**Subject: F56 Delivery Stop: Faulty Passenger Front Airbag**

SI M65 01 14 has been posted to TIS announcing a Delivery Stoppage for the passenger front airbag on 2014 model year F56 MINI Hardtop. A copy of the VIN list has also been attached to this DCS message for your convenience. As of Monday June 30, affected vehicles can also be identified using the Vehicle Comment section of the DCS vehicle history.

SI M65 01 14 will be updated and a communication sent when more information becomes available. Please contact your market teams with any additional questions or concerns.
