**SAFETY RECALL NOTICE**

Safety Recall: 99.01.22.B  
June 9, 2015

## IMPORTANT SAFETY RECALL

Dear Heartland RV Valued Dealer:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Heartland RV (Heartland) has decided that certain 2016 Torque T27, T28, T29, T33 Travel Trailers do not conform to part 567. "Certification" On the vehicles subject to this recall, the Federal Identification Label does not contain the correct GAWR information. Other trailer models manufactured by Heartland during this time period are not included in this recall. We apologize for any inconvenience this action may cause you, however your safety and continued satisfaction are of the utmost importance to us.

***Reason for  
this recall***

It has been decided that all of the travel trailers subject to this recall campaign have the incorrect axle weight listed on the certification label. If the trailer is loaded improperly there exists a risk of poor handling and the increased risk of an accident.

Attached to this notice is a list of the affected coaches with their VIN #'s, and a replacement label. Please remove and install the corrected label and file claim under code 99.01.22.B photo of the new label is required to be attached to the claim.

Federal regulations require that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.

Please have the VIN #'s of the affected travel trailers available when you call.

If you have questions concerning this recall or if you need any assistance please contact the **Warranty/Service Department** by email at 'parts@heartlandrvs.com', or by phone at 877-262-8032.

Thank you for your attention and cooperation in this matter.

Sincerely,  
**Heartland RV Service Department**
