Mfr's Report Date: July 28, 2015

NHTSA Campaign Number: 15V-477

Components:

FUEL SYSTEM, GASOLINE

Potential Number of Units Affected: 472

Problem Description:

Newmar Corporation (Newmar) is recalling certain model year 2009-2016 Canyon Star toy haulers manufactured from November 28, 2007, through July 9, 2015, and model year 2007-2009 All Star toy haulers manufactured from January 30, 2006, through October 21, 2009. There is unprotected flammable plastic wrap surrounding the exterior fuel dispensing system which could burn if exposed to an ignition source.

Remedy:

Newmar will notify owners, and dealers will install a protective metal sheet on the top of the exterior fuel compartment. The repair will be performed free of charge. The recall is expected to begin on, or before, September 26, 2015. Owners may contact Newmar customer service at 1-574-773-7791.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

We have received Newmar's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.
