Fuel Tank Assembly Voluntary Safety Recall Campaign Parts Update 2

Reference: PC384

Date: August 31, 2015

*******Dealer Announcement*******

On August 26, 2015, Nissan sent out a Parts update advising dealers that the fuel tank part number has changed to **17202-3TA0C**. Dealers may still receive part number **17202-3TA0B** until stock has been depleted. Parts received after August 20th may be used interchangeably with the new part number. The update also advised that Nissan has begun filling parts order forms in the order they are received.

******* Parts Information*******

The purpose of this announcement is to provide additional parts shipment information for orders that have shipped as of August 28th, 29th and 31st. Please refer to the parts distribution list included with this announcement for parts shipment details. As previously announced, these orders are VIN specific and aligned with parts order forms that have been submitted. Nissan will not fill additional orders using VINs that have been previously submitted.
