**Re: Your letter of July 7, 2008, Turn Key Trailers and Repair NVS-215AA, EQ08-010, 08#-032**

**Dear Sir:**

**In response to your letter referenced above, Turn Key Trailers and Repair ceased doing business in 2007. In review of all accounting records retained we were unable to determine from these records any parts, model numbers or other identifying information concerning the Dometic product recalled. In the event any such item that may have been sold by Turn Key Trailers and Repair, the manufacturer should have a customer warranty file that would have the name of the person, if any, who purchased the item.**

**If other information is necessary please contact us.**

**Regards:**

**Joe Napoleon  
President**
