Re: Foreign Tire Sales, Inc.

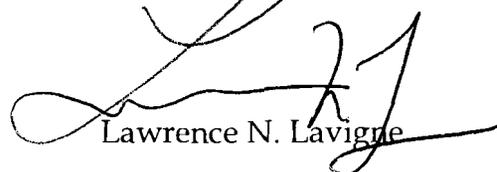

Dear Mr. Kidney:

Please advise if you will be responding to our letter dated J that letter we asked a number of questions which to date have not responded to.

Additionally, I am in receipt of your email wherein you indicate that all documents that you have submitted to NHTSA are "confidential." We question how this could possibly be as it would appear that many of the documents provided to NHTSA by your client would have been documents that we previously provided to NHTSA without a request for confidentiality. We ask you to please review your submission to NHTSA and advise the basis of the confidentiality requests of the various documents you have provided.

Your immediate attention would be greatly appreciated.

Very truly yours,
Norris, McLaughlin & Marcus
