Recall Management Division  
Office of Defects Investigation  
National Highway Traffic Safety Administration

Mr. Person,

As discussed in our phone conversation earlier today, Caribbean Rubber Corp. only received DOT ODI Letter of Inquiry EQ07-002 on the afternoon of August 14th, 2007. A deadline of August 13th, 2007 is specified for submitting a response to information requests 1 through 5 of said Letter of Inquiry.

We received the Letter of Inquiry in Puerto Rico one day after this deadline had expired.

Therefore, we kindly request that an extension to August 31st, 2007 be granted Caribbean Rubber Corp. to submit the responses requested in EQ07-002.

Thank you,
