Dear Sir or Madam,

I am the Materials Manager for Featherlite Coaches, Inc a successor company to Featherlite Luxury Coaches which at one time had a coach division known as Vogue that was located in Pryor, OK. This company known as Vogue has been closed since 2000. As to whether they Vogue ever used Dometic two door refrigerators, I have no idea. I can tell you that we have never used them in our coaches produced at the Sanford FL facility - that is going back to 1996. Let me know if I can be of further assistance.
