Ref: Defect Information Report – Recall # Dometic 06E076 & 08E-032

Friday, August 15, 2008

Dear Mr. Smith,

Please be informed that Teschner Coach LLC - Las Vegas is not the legal successor of Teschner Motorhome Manufacturing LLC, 27991 County Rd 10, Elkhart IN 46514.

Teschner Motorhome Manufacturing LLC Elkhart closed its motorhome production in July 2005 and after that only maintained an office at 27991 County Rd 10, Elkhart IN 46514, until its closure in July 2007.

We at Teschner Coach LLC Las Vegas have very little records of purchases and documentation of units built by this company or its predecessor Euro Liners LLC Elkhart.

To be able to assist us in tracing down possible units and owners we have written to Mr. McConnell at Dometic (see copy of fax dated 08/11/08) requesting further information on the date and model no. of any units covered by the above recall which were purchased by Teschner Motorhome Manufacturing Elkhart during the covered time in the recalls.

If you have any further questions, please do not hesitate to contact the undersigned at the address on the letter head.

Sincerely,

Roger Callan

Teschner Coach LLC.

Las Vegas

Dear Mr. McConnell.

With reference to the Dometic recall # 08E-032 dated April 11 2008

We have received information through the NHTSA that Teschner Motorhomes Mfg. LLC has been identified as a purchaser of units covered by the above recall – as Teschner Motorhomes Mfg. LLC closed its manufacturing business in 2007 we Teschner Coach LLC have little records of purchases and documentation of units built by this company or its predecessor Euro Liners Elkhart.

To be able to trace down possible units and owners in accordance to NHTSA regulations, although we are not the legal successors, we require a list of purchased units with invoice dates.

Thanking you in advance for your help.

Please feel free to contact me for further information if necessary,
