Dear Mr. Person:

This is to inform your Department that all necessary repairs have been completed on the Dometic refrigerator associated with the recall.

The work was done by Holmes on Wheels (Phone Number 574-238-2749). He has already reported this to Dometic and has been paid for services rendered.

The unit in questions is a Ford LCF that is in Demo Status. This vehicle has never been retail sold to date.

I hope this response fulfills our obligation concerning this recall. If there are any questions, please call.

Very truly yours,
THE UTILITY BODYWERKS

Tom Underwood
President
