Dear Mr. McConnell.

With reference to the Dometic recall # 08E-032 dated April 11 2008

We have received information through the NHTSA that Teschner Motorhomes Mfg. LLC has been identified as a purchaser of units covered by the above recall – as Teschner Motorhomes Mfg. LLC closed its manufacturing business in 2007 we Teschner Coach LLC have little records of purchases and documentation of units built by this company or its predecessor Euro Liners Elkhart.

To be able to trace down possible units and owners in accordance to NHTSA regulations, although we are not the legal successors, we require a list of purchased units with invoice dates.

Thanking you in advance for your help.

Please feel free to contact me for further information if necessary,
