George H Person:

We received a certified letter from you regarding the Dometic Corporation refridgerator which was the two door model. I am writing this to inform you that we use the Dometic refridgerator RM4223, which is a single door refridgerator. We did, however, order one of the two door styles which went in a person motorhome and was not sold. We will follow the recall on that item.

If you have any questions, feel free to call Bryan Wheat 360-748-6494.

Thanks,

Bryan Wheat
