

Dometic Quarterly Report to NHTSA - Recall 06E-076

Quarter 3: July 1, 2008 - September 30, 2008 Report Date: October 24, 2008

Manufacturer: Dometic Report Author: Pat McConnell Phone: (260) 463-7690 Recall Subject: Refrigerators

Included in this email is a spreadsheet titled "Dometic 06E-076 Q3 2008" Report.

This spreadsheet features a format requested by NHTSA in Q1 2008. It contains information on the OEMs that are working with Stericycle Corporation to handle the recall. These are the only OEMs that Dometic has information on.

Please Note the following:

Dometic Warranty Customers: These are completed fixes for owners whose name originally showed up on Dometic's warranty registration list, but were not on any provided OEM customer list and cannot be attributed to an OEM that Stericycle currently works with.

Consignee Additions: These are completed fixes that fall into one of the following two categories:

- Fixes completed with the OEM slot of the warranty card empty or the wording illegible.
- Fixes completed where the OEM written on the card is not signed up with Stericycle. They are only able to track information for companies that are doing work with Stericycle

Stock Units: These are fixes completed on refrigerators that were in the possession of Dealer inventory, and the OEM could not be ascertained for the same reasons listed above.

In short...

1. NHTSA Safety Recall Campaign Number: 06E076
2. Total number of refrigerators involved: 926,877
 - Total number of rework kits installed in quarter 3: 15,061
 - Total number of rework kits installed from recall start date to end of quarter 3: 265,208

Contact Pat McConnell at (260) 463-7690 with questions or follow-up in regards to this report.
