**Potential Number of Units Affected:** 5,659

**Summary:**

STARCRAFT IS RECALLING 5,659 MY 2005-2007 VEHICLES EQUIPPED WITH RICON PLATFORM STYLE WHEELCHAIR LIFTS. This recall was the subject of an Equipment Query, EQ08-011, conducted by the Office of Defects Investigation.

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

We have reviewed your proposed owner notification letter and it meets the requirements of Part 577, however please add the names of the models, model years, of the vehicles that are involved for this recall campaign.

Under Why is it being recalled: Change "FMVSS 403" to "FMVSS 404"

The information in your noncompliance report appears to satisfy the requirements of 49 CFR 573.6.

Please provide the following additional information and be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Starcraft must file a sample of the envelope which you intend to use to mail the recall notice to owners. The words "SAFETY", "RECALL", "NOTICE" in any order must be printed on the envelope in larger font than the customers name and address.

Please provide us with the names of the models, model year and beginning and ending dates for the build date range [of vehicles] affected by this recall.

You are required to provide an estimated date including month, day, and year, when you will send notifications to owners, dealers, and distributors as soon as it becomes available.

As stated in your report, Ricon will be handling the remedy and quarterly reporting for this campaign. However, please be advised that 49 CFR 573.6 provides that the vehicle manufacturer is responsible for any safety related defect or any noncompliance in the vehicle or any item of original equipment. If Ricon's campaign is not satisfactory, you may be required to conduct a follow-up notification.

Your contacts for this recall will be Delia Lopez or Kelly Schuler, who may be reached by phone at 202-366-9525 or 202-366-5227, or by email at [Delia.lopez@dot.gov](mailto:Delia.lopez@dot.gov), or [Kelly.Schuler@dot.gov](mailto:Kelly.Schuler@dot.gov), or through the office email at [RMD.ODI@dot.gov](mailto:RMD.ODI@dot.gov).
