Dear Mr. Powell,

Based on the information you have provided, an extension has been granted. We look forward to the submission arriving on February 18, 2003. This is an extension from the original due date of January 31, 2003. This has been approved by myself and Richard Boyd, Division Chief. If any of the information should be available prior to that date, we would appreciate a partial response.

Sincerely,  
Nate Seymour
