**SAFETY RECALL RENOTIFICATION**

December 19, 2008

Dear Yamaha Owner:

This letter contains important safety information about your Yamaha YZF-R1, FZS600 ("FZ6"), or FJR1300 model motorcycle, or Star Motorcycles V17PC ("Warrior") model motorcycle with the 17-digit Vehicle Identification Number (VIN) show on the label on the enclosed card.

This motorcycle should have been modified under recall, but our records do not show that necessary work has been done. For your convenience, on the reverse side of this letter we have reprinted a copy of the original letter sent when the recall was announced. This is a follow-up to that earlier communication.

If you have forgotten to have your Yamaha modified, or if you have delayed for some other reason, we urge you to delay no longer because of the safety risk.

Please contact your Yamaha motorcycle dealer immediately about this Factory Modification Campaign. If needed work has not been done, please have your dealer do the modification for you. It will, of course, be at no charge to you for either parts or labor.

If you have questions or concerns which the dealership is unable to answer, please write to:

Yamaha Motor Corporation, U.S.A.  
Customer Relations Department  
P.O. Box 6555  
Cypress CA 90630  
or call 1-800-962-7926

If, after contacting Yamaha Customer Relations, you are still not satisfied that we have done our best to remedy the situation without charge and within a reasonable time, you may submit a written complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, SE., Washington, DC 20590; or call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.

If your motorcycle is already modified, or you are unable to have your motorcycle modified for some reason, please complete and mail the enclosed card or, if it is more convenient, call Yamaha Customer Relations toll free at 1-800-962-7926 to provide the information. When you call, please provide us with the 17-digit Vehicle Identification Number (VIN) shown on the label on the enclosed card. It is also stamped on the steering head on the frame of your motorcycle.

Again, we urge you to have your motorcycle modified without delay. If this situation causes you any inconvenience, we apologize. We also thank you for your understanding. Yamaha is committed to customer safety and satisfaction. We take this step to ensure your Yamaha will give you the trouble-free service it was designed to provide.

Sincerely,

Customer Support Group

6555 Katella Avenue, Cypress, California 90630-5101 (714) 761-7300

## SAFETY RECALL NOTICE

October 13, 2006

Dear Yamaha Owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Yamaha Motor Corporation, U.S.A. has decided that a defect which relates to motor vehicle safety exists in all 2004 and certain 2005 YZF-R1 motorcycles, in all 2004 and certain 2005 FZS600 motorcycles, in all 2002 through 2004 and certain 2005 XV1700PC motorcycles, and also in all 2003 through 2004 and certain 2005 FJR1300 and FJR1300A motorcycles. Our records show that you own one of these motorcycles.

**The reason for this call:** In affected motorcycles, an improperly designed Throttle Position Sensor (TPS) could cause an intermittently unstable idle when the engine is at idling speed when the motorcycle is stopped or during low-speed operation. The engine could stall as a result. If the engine stalls after the operator disengages the clutch in a low gear while riding, the rear tire might slip momentarily if the operator abruptly re-engages the clutch. This could result in a vehicle crash with injury or death.

**A special note to YZF-R1 and FZ6 owners:** If you responded to a previous letter from Yamaha dated July 26, 2006, regarding the TPS, and your dealer has already replaced the TPS assembly on your motorcycle, you do not need to respond to this letter because it involves the same modification.

**What Yamaha and your dealer will do:** To correct this defect, your authorized Yamaha dealer will replace the Throttle Position Sensor. **There will be no charge to you for this procedure.** The procedure takes approximately 1 hour and 45 minutes to perform, depending upon the model, but your dealer may need to keep your motorcycle longer depending upon his schedule.

**What you should do now:** Please call your Yamaha dealer to make a service appointment to have this procedure performed. At that same time, you can find out how long he expects he will need to keep your motorcycle for this service. Remember to take this letter with you when you take in your motorcycle.

**You should not ride your motorcycle until this modification is performed.**

If you are unable to return to the Yamaha dealer who sold you the motorcycle, this service will be performed by any authorized Yamaha Motorcycle dealer. For the name of a dealer near you, call 1-800-88-YAMAHA or visit the Yamaha web site at: [www.yamaha-motor.com](http://www.yamaha-motor.com).

Federal regulations require that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within 10 days.

**If you need help:** If, after contacting your dealership, you have questions or concerns which the dealership is unable to answer, please write to:

Yamaha Motor Corporation, U.S.A.  
Customer Relations Department  
P.O. Box 6555  
Cypress CA 90630

If, after contacting Yamaha Customer Relations, you are still not satisfied that we have done our best to remedy the situation without charge and within a reasonable time, you may submit a written complaint to the Administrator, National Highway Traffic Safety Administration, 400 Seventh Street, SW., Washington, DC 20590; or call the Auto Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.

**If you no longer own this Yamaha:** If you have sold your motorcycle to another party, please call us toll-free at 1-800-227-5983 with the name and address of the new owner, along with the serial number shown above your name on the address label above.

We're sorry to cause you any inconvenience, but we are sincerely concerned about your safety and continued satisfaction with our products. Thank you for giving your attention to this important matter.

Sincerely,  
Customer Support Group  
Yamaha Motor Corporation, U.S.A.
