SAFETY RECALL FOLLOW-UP NOTICE

Dear Volvo Truck Owner:

Volvo Trucks North America notified owners of record of a safety related defect affecting the vehicle identified on the front of this card. A brief description of the recall is also found on the front of the card. According to our records the vehicle has not been inspected or repaired.

Volvo Trucks North America ~~writes~~ you to make a service appointment at a Volvo truck dealer as soon as possible. The recall will be performed on your vehicle without charge to you. Continued operation of a vehicle with a safety related defect may put you and those in or around the vehicle at risk of injury.

If your vehicle has been inspected and/or repaired please disregard this notice.

Sincerely,
Volvo Trucks North America, Inc.
