Dear Tom,

We are currently preparing the response to your IR-letter for petition DP09-002.

For a complete response we need information from BMW NA's parent company in Munich, Germany. In Bavaria some state legal holidays are coming up at the end of May and early June, which slow down the preparation of our response.

Therefore I would like to ask for an extension for part of the reply to the IR-letter. We will be able to reply to questions 1 to 7 by the original due date of June 1st. We would like an extension for questions 8 to 12 until June 22, 2009.

Thank you for considering our request.

Regards,  
Jan Urbahn
