SUBJECT: WHEELCHAIR LIFT ANTI-STOW INTERLOCK

DEAR MR. SMITH:

This letter serves to acknowledge West Texas Rehabilitation Center's (West Texas) notification to the National Highway Traffic Safety Administration (NHTSA) of a safety noncompliance with Federal Motor Vehicle Safety Standard No. 403, "Platform Lift Installations on Motor Vehicles," in the vehicles described below for which a safety recall campaign shall be conducted pursuant to Federal law.

Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

CHEVROLET/G3500/2005
FORD/E-150/2006

NHTSA Campaign Number: 09V-274

Mfg's Report Date: July 6, 2009

Components: EQUIPMENT ADAPTIVE

Potential Number of Units Affected: 2

Summary:

WEST TEXAS REHABILITATION CENTER IS RECALLING 1 MY 2005 CHEVROLET G3500 VAN AND 1 MY 2006 FORD E-150 VAN EQUIPPED WITH RICON PLATFORM STYLE WHEELCHAIR LIFTS. THESE VEHICLES FAIL TO COMPLY WITH THE REQUIREMENTS OF FEDERAL MOTOR VEHICLE SAFETY STANDARD NO. 403, "PLATFORM LIFT INSTALLATIONS IN MOTOR VEHICLES." THE ANTI-STOW INTERLOCK MAY NOT DETECT THE PRESENCE OF A WHEELCHAIR OR MOBILITY AID USER. THE PRESSURE SENSING SWITCH THAT DETECTS THE PRESENCE OF WEIGHT ON THE PLATFORM WAS NOT ADJUSTED TO THE NECESSARY SENSITIVITY LEVEL. THE LIFT COULD STOW EVEN THOUGH SOMEONE OR SOMETHING IS STILL ON THE LIFT.

Consequence:

THE USER OF THE LIFT COULD BE INJURED SHOULD THE LIFT MOVE UNINTENTIONALLY.

Remedy:

WEST TEXAS IS WORKING WITH RICON TO CORRECT THE WHEELCHAIR LIFTS FREE OF CHARGE (PLEASE SEE 07E097). OWNERS MAY CONTACT RICON AT 1-818-267-3000 OR WEST TEXAS AT 1-325-793-3546.

Notes:

CUSTOMERS MAY ALSO CONTACT THE NATIONAL HIGHWAY TRAFFIC SAFETY ADMINISTRATION'S VEHICLE SAFETY HOTLINE AT 1-888-327-4236 (TTY 1-800-424-9153), OR GO TO [HTTP://WWW.SAFERCAR.GOV](http://www.safercar.gov).

This recall was the subject of an Equipment Query, EQ08-011, conducted by the Office of Defects Investigation.

You are reminded that under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

The information in your noncompliance report appears to satisfy the requirements of 49 CFR 573.6.

We have received West Texas' proposed owner notification letter and it meets the requirements of Part 577. However, the referenced Federal Motor Vehicle Safety Standard number is incorrect in the first paragraph. It should be "403" not "110". Please make this correction prior to mailing the letter.

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

It is our understanding that Ricon will be handling the remedy and quarterly reporting for this campaign. However, please be advised that 49 CFR 573.6 provides that the vehicle manufacturer is responsible for any safety related defect or any noncompliance in the vehicle or any item of original equipment. If Ricon's campaign is not satisfactory, you may be required to conduct a follow-up notification.

Your contacts for this recall will be Delia Lopez or Kelly Schuler, who may be reached by phone at 202-366-9525 or 202-366-5227, or by email at Delia.lopez@dot.gov, or Kelly.Schuler@dot.gov, or through the office email at RMD.ODI@dot.gov. We look forward to working with you for successful completion of this recall campaign.

Sincerely,

A handwritten signature in blue ink, appearing to read "G. Person".
