Supplemental Part 573 Information Report

Dear Mr. Person:

On behalf of the recreational vehicle manufacturers referenced above, I am transmitting this letter to supplement their respective Part 573 information reports in the following particular:

Each of these companies has determined that it will conduct the recall campaign related to their respective information reports. Accordingly, these manufacturers will shortly be submitting further information to the agency concerning these recall activities, including remedy and servicing instructions and draft Part 577 customer letters.

Sincerely,

Lawrence F. Henneberger
