**Re: Defect Information Report – Supplemental Report No. 2  
09V-357, FL-557, Rack and Pinion Loose ITR**

Mr. Smith,

In accordance with Part 573 of Title 49 of the Code of Federal Regulations, Daimler Trucks North America LLC herewith submits supplemental defect information to amend the expected owner notification date for this recall. The supplier of the rack and pinion assemblies relocated their production facility over the summer. The new facility did not resume production as early as planned, delaying parts availability.

**(c)(8) Dealer Notification:** Dealer notification will be completed January 15, 2010.

**Owner Notification Date:** Owner notification will be completed January 15, 2010.

Please contact me if you have any questions.

Sincerely yours,

Nasser Zamani
