Dear Mr. Person:

Skyline Corporation has received your letter dated December 29, 2009 regarding recalls by Keystone and Coachmen due to defects in glass shower doors manufactured by Irvine Shade and Door, Inc. (Irvine).

Following an investigation of materials manufactured by Irvine and used in Skyline Corporation recreational vehicles, it has been determined that we have not installed Irvine glass shower doors in any of our products. Skyline has purchased items manufactured by Irvine, but the items purchased are the folding water-resistant cloth accordion-type doors, and are not the glass doors in question. As such, Skyline Corporation will not need to be involved in a recall for the Irvine glass shower doors.

If you have any questions or would like additional information, please feel free to contact me.

Sincerely,
