Good afternoon!

I am writing to you today in reply to your December 28, 2009 correspondence regarding EQ08-015, NVS-215aa, 07V-411, and 08V-639 which was received by me on January 4, 2010.

Irvine Shade and Door, Inc. has informed me that the subject glass shower doors with towel bars were not purchased by Jayco, Starcraft RV, or Entegra Coach. Consequently, none of these companies have produced any vehicles containing the referenced shower doors. Please find attached a copy of the correspondence from Irvine Shade.

Should you require any other information, please contact me at your convenience.

Dear Joe Resil:

You were recently notified by NHTSA that certain shower door products purchased from Irvine Shade & Door, Inc. may have a risk of glass breakage due to towel bars supplied with some of the doors ISD has manufactured. NHSTA recall #'s 07V-411 and 08V-639 detail the nature of the potential problem.

We have determined through an examination of our sales records that Jayco Inc/Starcraft RV/Entegra Coach did not purchase this type of product or that the shower doors Jayco Inc/Starcraft RV/Entegra Coach purchased were supplied without towel bars.

Thank you for your continued business.

Sincerely,

Nick Donis
VP Irvine Shade & Door, Inc.
