Dear Mr. Ansley,

This letter is in response to RMD's letter concerning Irvine glass shower doors with towel bars installed in Recreational Vehicles between June 15, 2001 and August 6, 2007. The purpose of the letter was to inquire if Dynamax Corporation had purchased this equipment and installed it into any of our motor vehicles.

Please be advised that a search of our records verifies that Dynamax Corporation has not purchased or installed the subject equipment in any of our products.

If you have questions, or require further information, please contact me.

Sincerely,

A handwritten signature in cursive script that reads "Dan Johnston".
